Dear Staff/Patients/Partners,

It is with a heavy heart that I am writing to inform you about a decision that was not easy for me to make. After much contemplation and consideration, I have come to the difficult conclusion that I must temporarily close The Atlanta Vision Clinic here in Dubai.

This decision stems from 2 issues. Unfortunately, my family is currently facing a challenging situation due to a severe illness that has affected one of our beloved family members. The gravity of this situation necessitates that I dedicate more time and attention to providing care and support during this trying period.

On a second note the landlord on short notice did not extend our lease and we would have to vacate our current location. In combination with my family needs and the non-renewal of the lease I came to the conclusion that it would better to temporarily suspend operations at the clinic. It was not been an easy choice, and it is with a heavy heart that I have come to this decision. Please accept my sincerest apologies for any inconvenience this may cause.

To smooth the transition I have partnered to Dr Ahmed Moataseem to provide care for us in this transition period. Dr. Ahmed is a highly qualified and ophthalmologist and LASIK surgeon who shares our commitment to providing exceptional eye care services. We are confident that you will be in excellent hands under his care during this temporary transition.

Please be assured that this change is temporary, and we remain dedicated to providing you with the same level of quality service you have come to expect from The Atlanta Vision Clinic. We appreciate your understanding and support during this time.

If you have any upcoming appointments or if you require immediate assistance, please do not hesitate to contact the clinic at (050) 105-5250. Dr. Ahmed and the rest of our team will be more than happy to assist you.

I am profoundly thankful for your understanding and support during this challenging time. Your trust in my practice has meant a great deal to me over the years. I want to express my heartfelt gratitude for your understanding and support during this time. Your well-wishes and understanding mean the world to me.

Sincerely,
